

## High-Precision Machining · CNC Turning and Milling · Custom Precision Screws

**CNC Screw Machining (7-axis)**  
**CNC Turning (5-axis)**  
**CNC Milling (4-axis)**  
**Centerless Grinding**  
**Mechanical Assembly**  
**Part Modification**  
**Secondary Operations**

- Broaching
- Chamfering
- Slotting
- Polishing

### Capabilities and Facilities

- 12,750 sq. ft shop w/ class 10k clean room
- Cylindrical parts: 0.005" to 8" diameter
- Rectangular parts: 0.010" to 24" width
- Tolerance: +/- 0.0001" (0.003 mm)
- Specialized cleaning processes

### Quality and Delivery

- Complete Material Traceability
- First article Inspection
- JIT/Ship-to-Stock Delivery and Blanket P.O.
- ISO-9002 compliant
